

Social Media Policy

We ask that all our representatives of the club (including parents, players, coaches, umpires and officials) be conscious of any social media posts in relation to other representatives of the club that could be deemed offensive or disrespectful.

If there is anything you are unsure about or would like to clarify prior to the game, you can approach a Marrickville All Stars Executive Member at the cabana.

In correlation with Randwick Association rules no photography of the players is allowed. Whilst we understand that the games are very exciting, we ask that you are conscious of any photos you may take, and limit photos to your child only or your team, provided all other parents have no objections to their child's photo being taken

If any representative of the club is found to do the following, disciplinary action may be taken for those involved:

- DO NOT take photos of the opposing team
- DO NOT post photos to any social media websites like Facebook and Instagram without the permission of the players in the photo (or parents if under 16)
- DO NOT post inappropriate comments on Marrickville All Stars social media pages, which will be deleted.
